Director's Comments: "We are thankful that not only did we exceed the number participants expected for our first annual Gaspig Gobbler 5K Run/Walk fundraising activity, but also the superb weather day we received after a dismal week. So many families enjoyed our event and that our Lovell Recreation Department is pleased to have organized and hosted this health promotion activity. We are grateful for the below sponsors and contributors, and the many volunteers that extensively did their part in assisting us. We are already looking forward to hosting our second annual Gaspig Gobbler in 2007."
